

Dear FOTS Family,

After much prayer and deliberation, due to ongoing concerns about the COVID-19 pandemic, and in what we believe is in the best interest of our FOTS family's health and safety, the FOTS Board has made the difficult decision to cancel the 2020 in-person Fellowship of the Spirit Conference.

For several weeks, we have been monitoring developments and have been in contact with the YMCA. While we have been hoping and praying for the best, with the level of uncertainty and the need many may have to make alternate plans, we thought the time has come to make this decision.

The board is planning an online format for the conference and will share more details as soon as possible. While we all love the in-person fellowship and the beauty of the Rocky Mountains, we trust that we can bring the spirit of the conference to the online platform.

Given the unprecedented public health concerns, the YMCA has cancelled and refunded room deposits for FOTS guests who had booked rooms in the FOTS room block. Please contact the YMCA (888-613-9622) with any questions regarding your room reservation.

For those who registered for the conference, the planning committee has initiated registration refunds. Processing will take a few days.

We will miss seeing you all in person, but we continue to trust that God is leading us and we look forward to joining you in the Fellowship of the Spirit as we trudge the road of happy destiny.

In Love and Service,

FOTS Board
